EXPERIENCE

Abi is a Registered General Nurse located in Cheshire and surrounds. Abi has a broad scope of knowledge and experience of individuals with long term care needs, obtained through her background in District Nursing and Case Management.

Abi has supported individuals with Complex Care Needs since March 2018 and is competent in undertaking comprehensive evidence-based assessments, leading Multi-Disciplinary Team meetings and managing Care and Support Teams. Her current caseload consists of young adults through to the elderly with a wide range of care needs; this includes those with Acquired Brain Injuries and individuals who have suffered a Spinal Injury.

With up-to-date experience in Continuing Health Care, Abi has a good insight into current care costs and is used to negotiating and procuring within Statutory Services. Abi has a sound understanding and keen interest in the Court of Protection and the litigation around the Mental Capacity Act and Deprivation of Liberty Orders. Abi's priority is always that of the safety of an individual and ensures to the best of her ability that their needs are met holistically. Abi enjoys seeing the progression and goals being met by her clients, whilst being realistic in her practice. She prides herself in her organisation skills and ability to build excellent working relationships with professionals, clients, and their families alike.

In her personal life, Abi loves camping with her young family and has recently re-started horse riding. She hopes to get a campervan in the near future but has promised herself not to buy a horse!
