BIOGRAPHY

Charlotte Mawby is a Registered General Nurse (1984) and Registered Sick Children's Nurse (1986). Charlotte extended her knowledge by studying Psychosocial Care of Children, Adolescents and their Families (2008) and Facilitating and Assessing Workplace Learning (2006) at Brookes University, Oxford.

Following qualification, her professional experience included neuro and reconstruction surgery nursing. Subsequently gaining extensive experience working in the community within Health care and special educational settings with clients with physical, learning difficulties, many with complex health care needs.

Charlotte has worked as a Senior Nurse within a directly employed care team for a young person with complex health care needs. Leading the nursing and care team, working closely with family and client, maintaining high care standards, induction of new care team members.

Charlotte has worked as a case manager since 2012 with children and young adults who have an acquired brain injury, cerebral palsy, complex health care needs, working in partnership with the young people, their families and multiprofessional teams. To ensure the client's educational, social and care needs are met to enable ongoing learning, social development, and quality of life.

Charlotte has a wealth of knowledge with a proactive and professional approach to Case Management. A wealth of knowledge with regards employment and management of directly recruited support workers. Working with or on behalf of clients, families and the funders of the care packages.

Charlotte is skilled in liaising and working with multi-professional teams, parents & family members, team leaders and care support teams. She has a vast experience regarding multiagency working, education, directly employed and agency care support.
