BIOGRAPHY

Hafina is a Social Care Wales Registered Social Worker and highly experienced professional who has a proven track record in providing comprehensive case management, assessment, care planning, support, and advocacy services. She possesses excellent communication skills, allowing her to effectively engage with vulnerable adults and carers from diverse backgrounds, demonstrating empathy and humour in her interactions.

Throughout her career, Hafina has established a strong history of collaborative work with professionals from various sectors, including local authorities, healthcare, voluntary organisations, and service providers. She is well-versed in multidisciplinary working and has successfully coordinated care teams in accordance with the guidelines set by regulatory bodies such as the Care Quality Commission (CQC) and the Care Inspectorate Wales (CIW).

Hafina has gained extensive experience in working as part of multidisciplinary teams over the years. She has successfully supported individuals with a wide range of conditions, including complex disabilities, acquired brain injuries, learning disabilities, mental health issues, and older people with dementia.

Having qualified as a social worker in 1997, Hafina began her career by working with individuals dealing with drug and alcohol misuse. She was involved in the establishment of a substance misuse team for the Caerphilly borough. In 2004, she shifted her focus to working specifically with individuals with learning disabilities and complex needs, including physical disabilities.
