

JOANNA JONES

CASE MANAGER - RGN

Snapshot

Joanna has 12 years' experience of working in both the private and NHS settings. Working with people with varying complexities including brain injury, neurological conditions, challenging behaviour, mental health illness, acute stroke and supporting clients with their rehabilitation goals. Joanna will manage a team of support staff with regular supervisions and assist to develop their professional development.

Experience

Since qualifying as a Registered General Nurse, Joanna has worked for the NHS and private sectors in the East Lancashire area in various health settings. Joanna has gained experience in a variety of fields including neurological conditions, orthopaedics, general & acute medicine but mainly acute stroke and brain injury rehabilitation.

Prior to Case Management Joanna was a care home 'Specialist Nurse' in Blackburn and Darwen supporting care home managers to reduce hospital admissions, participating in virtual ward rounds with the multi-disciplinary team, supporting their needs and managing training within the homes.

Joanna also has developed specialist rehabilitation skills such as dealing with clients who have dysphagia, PEGs, Epilepsy, Substance Misuse, and clients in a Minimal Awareness State.

Joanna has previous experience as a disability assessor on behalf of the DWP, this involved assessing clients who had physical and mental health needs that have impacted their daily living needs, then following up by completing accurate reports.

Joanna has experience working alongside professionals such as physiotherapists, occupational therapists, dieticians and speech and language therapists to plan individual care plans and risk assessments to help rehabilitate clients.

Joanna has also have worked in elderly care supporting with dementia and challenging behaviours.

Medico Legal Experience

Joanna is developing her experience of medico-legal and litigation by co-working cases with experienced Case Managers and the support of the senior leadership team.
