MIDLANDS, LIVERPOOL, MANCHESTER AND NORTH WALES

SNAPSHOT

Mika has 17 years' experience supporting clients and families with a wide range of disabilities and complex health conditions. Mika started her journey supporting people with Learning Disabilities, Brain Injury, Physical Disabilities and Mental Health into Employment and Voluntary work. Not only supporting them to find work, also supporting employers to make reasonable adjustments in the workplace for their employee to achieve sustainable outcomes.

EXPERIENCE

Mika has 17 years' experience supporting clients and families with a wide range of disabilities and complex health conditions.

Mika started her journey supporting people with Learning Disabilities, Brain Injury, Physical Disabilities and Mental Health into Employment and Voluntary work. Not only supporting them to find work, also supporting employers to make reasonable adjustments in the workplace for their employee to achieve sustainable outcomes.

Mika completed her Social Work Qualification in 2013 and worked with in the Local Authority assessing and supporting clients and families with disabilities and social needs. Mika shows dedication and compassion, and her ethics, values and dedication shine through in the work that she does. Mika will always strive to ensure that she has the best outcomes for her clients and families. This includes optimising rehabilitation needs, working closely with other professionals, including Physiotherapists Occupational Therapists, Nurses, Social Care, Education, Housing and a wide range of specialists in a joined-up approach with the client at the center of any decisions.

Mika progressed into management in 2018. She managed the Adult Disability Team and the Continuing Health Care Team. Mika has experience of recruitment and supervising of a large staff team. Mika ensures that the client is at the heart of her work and that Continued communication is very important to Mika and like to keep families and clients up to date every step of the journey.

Mika has extensive knowledge and skills especially in relation to the Mental Capacity Act and completing decision specific capacity assessments. Mika also has a lot of experience with Safe Guarding and Dols.

Working with AJ Case Management Mika has gained a good knowledge of the litigation process. Our case managers have different specialised professions and are able to share their knowledge and support each other when required.
